

# Inventory Management & Cash Flow: Quick Checklist

## Is Inventory Draining Your Cash Flow?

- ☒ Do you know the total dollar value of current inventory?
- ☒ Do you review obsolete or slow-moving stock quarterly?
- ☒ Are reorder points based on actual usage data?
- ☒ Is inventory turnover tracked regularly?
- ☒ Does engineering vet design changes against inventory?
- ☒ Do you categorize stock with ABC analysis?
- ☒ Do you have vendor agreements with flexible replenishment?

At **Efficiency Edge**, I help business owners cut through the chaos by building clear systems, accountability structures, and data-driven processes that actually work. My goal is simple—free up your time, improve your cash flow, and give your team the tools to perform at their best. If you're ready to stop fighting fires and start running your business with confidence, let's talk. [Schedule a call here](#)
